To: China Higher Education Delegation from the People's Republic of China

Dear delegates,

On behalf of Council for Higher Education of Israel, I am pleased to extend this invitation to the China Higher Education Delegation to visit Israel from the 12<sup>th</sup> of May to the 15<sup>th</sup> of May, 2019.

Through the visit to Israeli universities, China Higher Education Exhibition and China-Israel Higher Education Seminar, we firmly believe it is a great opportunity to explore possible collaboration between your institutions and ours. We hope more channels could be found to work with the Chinese universities on training programs and scientific collaborations for Chinese public and private sector professionals, students and faculty exchange as well as language instruction. We look forward to a productive discussion while you are here from which we hope will emerge joint collaborative programs.

We look forward to seeing you in Israel in May.

Yours sincerely,
