Dear Professor Zhang,

I am very delighted to invite you to visit my laboratory and Imperial College in the period of 10th to 23rd July 2019, during which we would like to discuss with you about the cooperative possibilities in scientific research areas between our two universities.

During your stay, I could arrange for you to visit different divisions and laboratories at Imperial and discuss with different professors, including the Mechanics of Materials Division and the Future Manufacture Lab of Imperial.

I look forward to welcoming you soon in London.

Sincerely yours,

Professor Jianguo Lin
